I am writing in response to your January 26, 2012 letter regarding one or more contributions that appear to exceed the limits for individuals and affiliated committees on the Cantor for Congress October Quarterly Report (07/01/2011 - 09/30/2011). Your letter suggests that Cantor for Congress may be required to reallocate or refund these contributions.

The Cantor for Congress October Quarterly Report has been amended to correctly designate the contributions to the proper election cycle. The designations for these contributions were properly noted on the checks received, but incorrectly entered for reporting. Steps have been put in place to prevent future occurrences.

Your letter also indicates that Cantor for Congress received a contribution from an organization which is not a political committee registered with the Commission. This contribution was received from a local committee using federally permissible funds.

I trust this adequately responds to your letter.

Sincerely,
Cindy Wharton - Finance Director
